

SCS AMPA · BUILDING OUR SCHOOL COMMUNITY

Joining forces. Listening. Taking part. Supporting.

Welcome, families!

SCHOOL YEAR 2026-2027

We're starting a new school year! The first days are always busy, but they also bring excitement, new beginnings and familiar faces. The whole SCS AMPA team would like to welcome all families, especially those joining our school this year.

Last school year, thanks to your support and our lottery fundraiser, we were able to make many projects happen: classroom improvements, new materials, workshops, sports activities, the Family Pact initiative, the Book Fair and the end-of-year celebration.

We are starting this school year with our finances in good order and plenty of energy for the projects ahead.

This year, our school's Pastoral motto is **"Let's get to work. Faith in action."** It encourages us to live the **SENA values** every day: listening, respecting one another, supporting each other and caring for others. These values are also at the heart of our AMPA message: ***"We listen. We join forces. We build our school community."***

We will continue to support culture, sport, educational activities, digital wellbeing and school life, always working closely with the school. We would also love you to take part. You do not need to be a Board member: an idea, a suggestion or a little of your time can really help.

We will soon share **the date of our General Assembly, our annual meeting**. It will be a chance to explain how AMPA funds have been used, present new projects, meet each other and, most importantly, hear your ideas.

Thank you to all our families for your trust, and to the teachers and school staff for their work and dedication. We look forward to another year of building our school community together.

We wish you a great start to the school year — and let's get to work!

Warm regards,

SCS AMPA
